## SUMMARY

Web Developer with talent for creating robust, user-friendly websites and applications. Skilled in HTML, CSS, JavaScript, and modern frameworks, bringing innovative solutions to complex problems. Strong background in full-stack development, collaborating seamlessly with design and product teams to deliver high-quality digital experiences. Committed to optimising performance and enhancing user engagement, ensuring every project exceeds client expectations. Experienced in creating responsive, user-friendly websites and applications with focus on clean design and functionality. Strong background in front-end technologies like HTML, CSS, and JavaScript, alongside solid experience with back-end frameworks. Enthusiastic about problem-solving and finding innovative solutions to enhance user experience. With solid foundation in web development principles, I excel in problem-solving and creative thinking. My background in collaborative projects showcases teamwork and effective communication skills. Enthusiastic about learning and adapting quickly, I bring fresh perspective to innovative web solutions. Writing professional with solid experience in proofreading, content editing, and ensuring grammatical accuracy. Adept at coordinating with writers to enhance readability and coherence while maintaining consistent editorial standards. Skilled in managing multiple projects and meeting tight deadlines with precision. Skilled at crafting compelling narratives and ensuring clarity in written content. Excellent communication and collaboration skills enhance team productivity and drive projects forward. Highly adaptable, with knack for quickly understanding and aligning with diverse editorial styles and guidelines. Goal-oriented news professional well-versed in leading reporters, designers and production staff to put together and publish targeted content. Strong communicator and planner with complex problem-solving skills, a proactive mentality and a solid record of locking in highly-desired interviews and breaking news stories.
